energy
denationalization

stealthy electric privatization

**736 private permits
granted by the ERC**

48.3%

**of total power generation
in whole country is
already privatized**

stealthy oil privatization

***200 private permits
granted by the ERC***

***distribution, transport
and storage of
natural gas***

constitucional legality broken

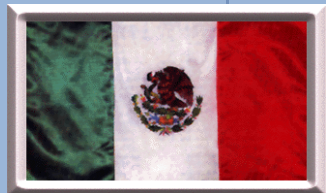

***energy privatization
contravenes to 25, 27 and 28
constitutional articles***

***more than 300 transnacional
power and gas companies
have occupied our national territory
and they want the oil basins
in the Gulf of Mexico***

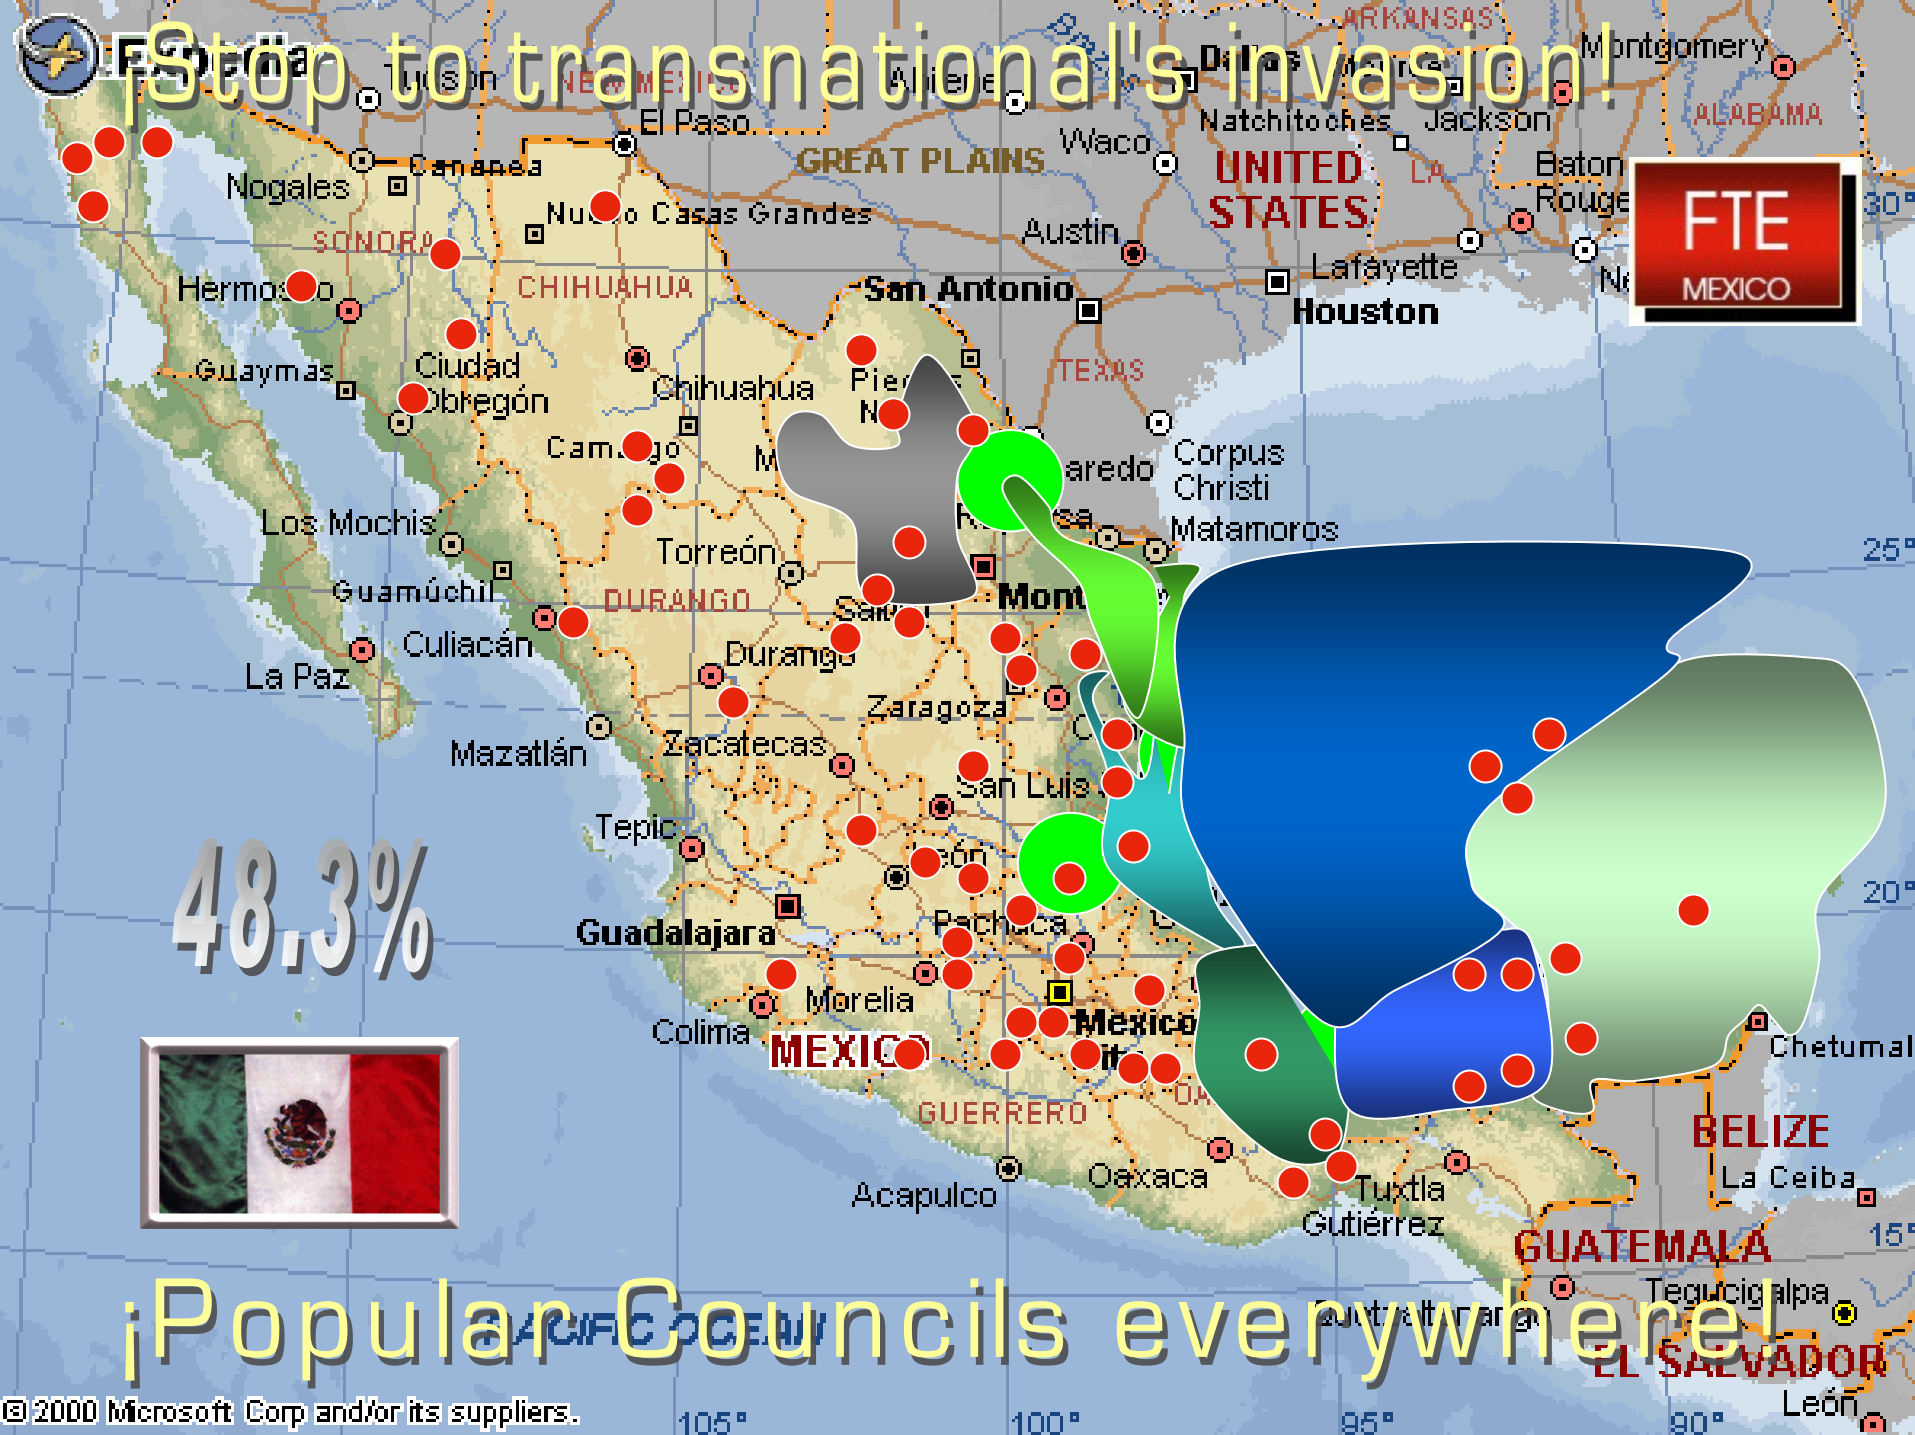

Stop to transnational's invasion!

48.3%

¡Popular Councils everywhere!

***Mexico is a nation
it's not an oil's well***

¡Re-nacionalization!
